QUEENSWOOD

COMPANY PROFILE

- Q EXPERIENCE** - Over 25 years experience supplying organic ingredients has gained us a highly regarded reputation in the industry
- Q FLEXIBILITY** – From 25kg to 25000kg, we can supply quickly and efficiently, by finding the most effective delivery solutions and combining orders.
- Q DISTRIBUTION** – Our own fleet of temperature controlled vehicles, as well as the backup of reliable hauliers and carriers. Goods are checked and supplied from our own warehouse.
- Q RANGE** – Probably the largest range of ingredients available. More products can be sourced on request.
- Q QUOTES** – Our prices are based on quantity required – the larger the quantity the better price we can offer. Let us know your requirements – we will be happy to provide you with a tailored quote.
- Q COMPETITIVE** – Agents and importers for organic products from around the world. Lower margins and greater efficiency enable us to supply at the most competitive price. With Queenswood you don't suffer excessive surcharges for small orders when you are trying to get a product off the ground.
- Q SOURCING** – Using our supply principals in various countries, we are helping our customers to develop new lines and new ingredients for the UK market.
- Q REGISTERED** – All organic products are supplied under our Soil Association certification. License Number: P1559.
- Q SAFETY** – Full HACCP system and supplier auditing has helped us to become supplier to some of the biggest names in organic food manufacturing.
