PRODUCT:	Organic Skimmed Milk Powder
PRODUCT CODE:	DA300
DESCRIPTION:	Organic skimmed milk powder is manufactured from fresh organic skimmed milk. The milk is sourced from cows that are grazed on organic pastures, fed on hay or natural feedstuffs for herbivores, and maintained using favourable husbandry and welfare considerations. The organic skim is heat treated, concentrated under vacuum and then spray dried. It is manufactured in a factory approved by Skal, who ensure compliance with organic production requirements of EU Regulation 2092/91.
