PRODUCT SPECIFICATION

This product shall comply with the requirements of the 1990 Food Safety Act, and other pertinent legislation to ensure the Legality, Safety and Quality of the product

PRODUCT:	Organic Millet Flakes – Gluten Free
PRODUCT CODE:	FL045
DESCRIPTION:	<p>Millet flakes produced from organic grown millet seed.</p> <p>European millet produces a slightly more speckled product than USA millet, but this does not affect the flavour or quality of the product</p> <p>To achieve gluten free status, the production plant is cleaned down prior to the packing of this product. The resultant millet flakes are then tested for gluten prior to despatch from the factory. Only product with less than 20ppm gluten is then positively released by testing and certification.
