### HOW TO PLACE AN ORDER

Orders can be placed by phone, email, fax or post (please see telesales contact information). Normally deliveries are made two days after an order has been placed. Deliveries are free when a minimum order value for your area is achieved (see guide above) A handling charge may be incurred if an order is below the minimum spend. Once an account has been set up you will be allocated a customer ref number. Please ensure you have this number ready when placing an order or communicating any queries, also the product code and the quantity required.

Minimum orders of £50 are permitted for collections only from our Bridgwater site. Please allow 24 hrs from point of order. Please report to reception for collections
